

FIFTH DISTRICT (SR) ADVANCED SKILLS WEEKEND

FALL 2008 INFORMATION & REGISTRATION ADDITION

AN ADDITIONAL COURSE HAS BEEN ADDED TO THE CURRICULUM FOR THE FALL 2008 ADVANCED SKILLS WEEKEND. PLEASE AMEND YOUR INFORMATION & REGISTRATION PACKAGE TO INCLUDE A RECREATIONAL BOATING SAFETY VISITATION PROGRAM COURSE.

The Recreational Boating Safety Visitation Program course is designed to prepare the student to conduct Recreational Boating Safety visits as a Program Visitor. The course will cover The Recreational Boating Safety Program overview, planning, scheduling, procedures, logistics and reports. An opportunity to take the required written test will be available at the end of the course. Preregistration is requested so that study material can be sent to the student in advance.

[This course will begin at 0830 Saturday 4 October and finish with a written exam on Sunday 5 October.]
